This is in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request received in this office on October 04, 2013 regarding extraction room procedures.

We have completed our search and no records related to extraction room procedures were found. All records related to mail room procedures were provided to you under request COW2013000633. There are no additional procedures concerning incoming mail procedures. There is no separate extraction room outside of the mailroom where they process all incoming mail.
